COMFORT FOR LIFE

Commercial Curb Appeal

Daikin brand commercial packaged products offer outstanding performance. Many retrofit applications do not require transition curbs. Look to Daikin brand commercial packaged products to deliver durable and reliable performance.

DAIKIN BRAND DCG Gas/Electric Packaged Units

Comfort for life

Daikin is a global leader for indoor comfort, with millions of systems installed throughout the world. Today, millions and millions of people trust Daikin to deliver comfort for life to families and businesses alike.

Dependable heat exchanger

If you consider the heat exchanger an essential component of a gas/electric package product, then it

makes sense to choose one that offers outstanding performance. The award-winning design of our heat exchanger is constructed from tubular steel and formed into a dual-diameter configuration. Furthermore, the use of wrinkle-bend technology results in an extremely durable heat exchanger. This exceptional construction offers one of the best levels of reliability, durability, and efficiency you'll find in a heat exchanger.

■ FEATURES:

- | | | | |
|--|--|--|---|
| 1 Footprint fits many existing curbs without curb adaptor (3- to 12½- tons) | 2 Tubular heat exchanger with wrinkle-bend technology | 3 Full-perimeter base rail with fork slots on all four sides (up through 12½ ton) | 4 Copper tube/aluminum fin evaporator coil |
|--|--|--|---|

■ ...AND BENEFITS:

- Energy-efficient heating and cooling performance
- Chlorine-free R-410A refrigerant
- Heavy-gauge, galvanized steel cabinet with UV-resistant powder-paint finish resists weather and time
- Air Conditioning, Heating, and Refrigeration Institute (AHRI) certified

ADDITIONAL INFORMATION

Before purchasing this appliance, read important information about its estimated annual energy consumption, yearly operating cost, or energy efficiency rating that is available from your retailer.

R-410A refrigerant

Compared to packaged units using R-22 refrigerant, your new Daikin brand DCG Packaged Unit will not only provide you with energy-saving performance for many years, but it also features R-410A refrigerant. This refrigerant does not contain chlorine.

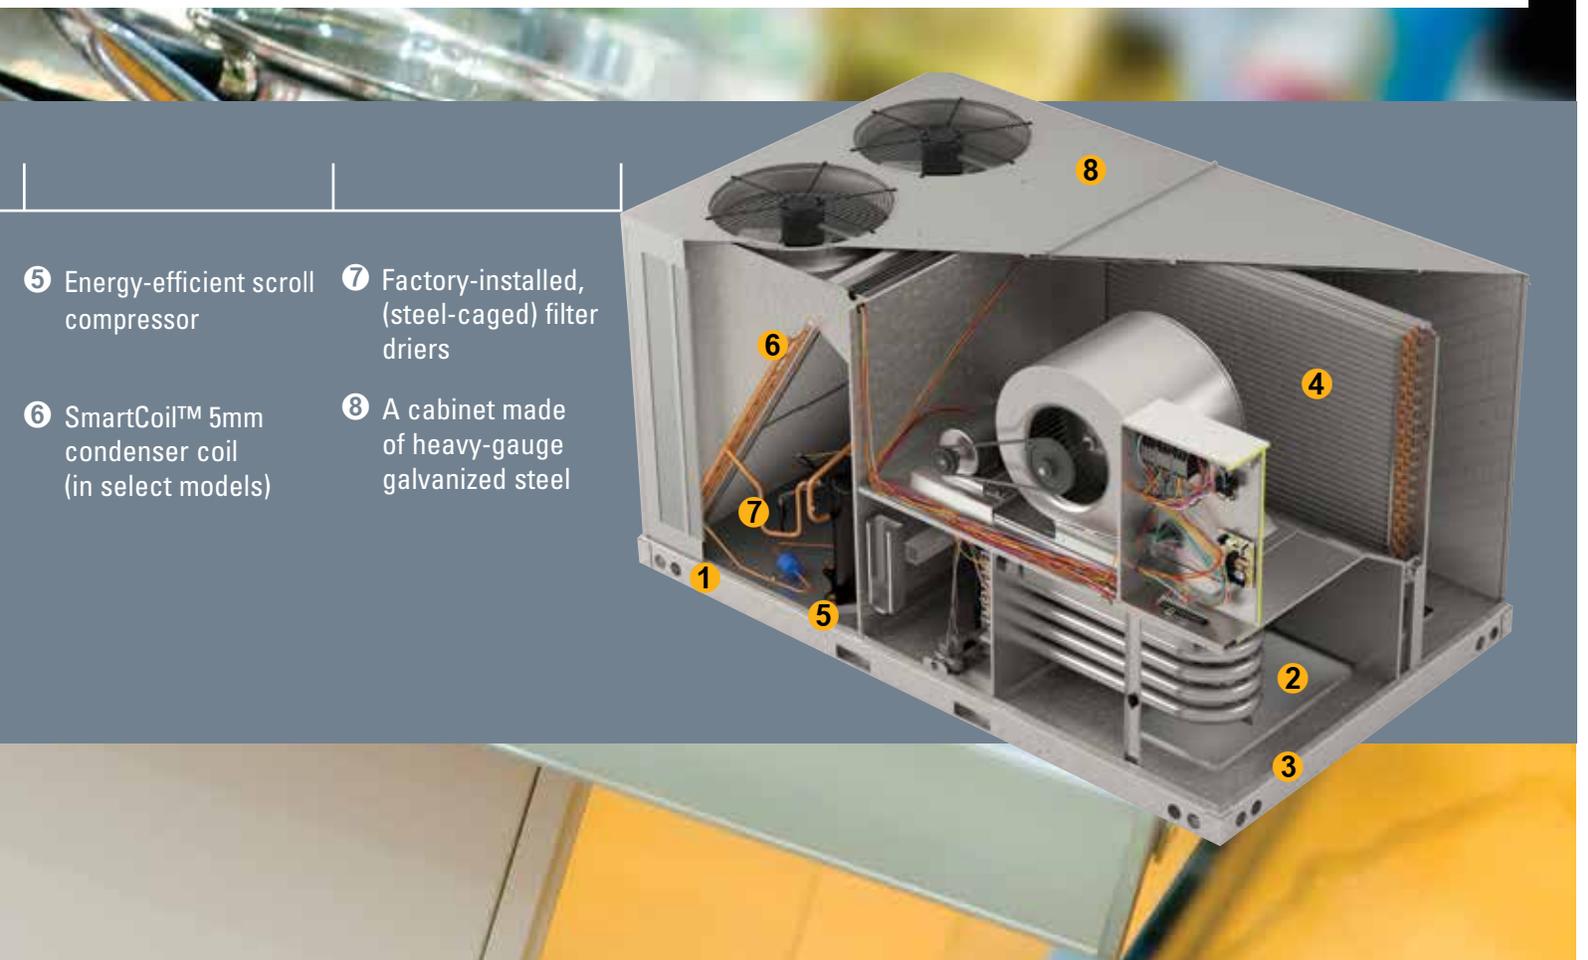

Introduced in 1995, R-410A refrigerant has helped increase the durability and reliability of air conditioner compressors.
